A SURVEY OF STRATEGIC MANAGEMENT PRACTICES WITHIN AN ORGANIZATION ...

This literature review explores the concept of strategic management and its importance for organizations. According to Arie (2007), strategic management is the process of formulating and implementing a plan of action that is consistent with the organization's mission and vision. This process involves analyzing the organization's internal and external environments, identifying opportunities and threats, and developing strategies to address them. The review discusses the importance of strategic management in achieving organizational success and provides a framework for developing and implementing a strategic plan. Apr 1st, 2024
